VOLUNTEERS NEEDED URGENTLY.....
Would you consider helping out with Youth Ministry. Even if you could only offer one evening a month, this would be extremely beneficial to our Youth Ministry Program.
If you are a student aged 18+, wanting to go into teaching, caring or religious career, it is a great asset to any resume to say you are part of a Youth Ministry team.
If you are a parent/guardian and have a skill, why not use your skill to do something positive for your youth.
WE NEED HELP - Please consider helping us.
IF YOU WANT TO KNOW MORE OUR YOUTH PROGRAM,
