PERMISSION TO PHOTOGRAPH/VIDEO

Throughout the school year we will be taking photos of our participants. Both 'still' photos and 'digital' photos will be taken for use on our website, PowerPoint presentations and possibly newspapers for public relations.

Due to the nature of the youth ministry programs, young people are sometimes asked to participate in drama skits. These drama skits may be digitally video recorded and may be used for promotional purposes. Care will be taken not to photograph your child if we do not have your permission. Names of students, in photos, are never put on the website

There also may be times when we would like to use a quote from your child in our in-house publications, on our website, or in a local newspaper. We only use their first name and grade below quotes.

Please complete this form and return it to the Youth Ministry office when you are returning your son or daughters' youth ministry registration form.

Permission is hereby granted to Saint Kilian Youth Ministry personnel to use photography/video and quotations from:
